A Successful First Week of Camp

Fun was in the air last week as the first week of Camp Adventure took off without a hitch! Campers and counselors alike enjoyed the first week field trips, games, and songs. Last week's theme was "Underwater Ocean Commotion." Campers took an active role in creating a magical underwater environment. They researched their favorite sea life online, created a life size aquarium in art, and played games such as "hooks, seaweed, and fish."

The rats also had an absolutely amazing time at the Yokohama Space Museum. Campers enjoyed playing on a variety of space themed displays throughout the museum. The favorite area was the third floor which had a full size gym and plenty of exhibits to keep campers brains and bodies busy. Campers could see how high they could jump on the moon, race their friends in a virtual reality space race, and even control a life size robot!

Meanwhile, the pre-teens went on two totally awesome field trips to Disneyland and Toshimean. Campers also had the chance to bowl and swim at Camp Zama. To see some of the fun the rats and preteen experienced check out the summer camp link on the website, campzamasas.org!

Friday, 4th of July – No Camp

Rats

Tuesday, Disneyland

Thursday, Ogino Undo Koen

From the Mr. Tokyo's Desk

Dear Parents,

With the summer heating up it is very important to remember to send your child to camp with their own bottle of sunscreen. We will remind the campers to apply the sunscreen when we are going outside to play games!

Also, please check the bowling and swimming schedule to ensure your camper has the proper attire to bowl and swim on those days. When campers bowl they need to bring socks. For swimming they will need a swimsuit and towel.

Rats go bowling on Mondays and Fridays. Rats go swimming on Monday, Wednesdays, and Fridays. The pre-teens go bowling and swim on Tuesdays, Wednesdays, and Thursdays. If you have any questions about the schedule or Camp Adventure please ask! Or you can email me at: campadventurezama@yahoo.com

Camp Adventure Kids Sound Off

On Thursday June 19 campers had the chance to write about what they liked about Camp Adventure during computer club. Here are some of their responses!

"I like the games in **Camp Adventure** and I play on the computer too." Payton, yellow
